"There are many entertainers in the world, but few that combine they joy they bring with as much heart as you do," says Dan Popov, Ph.D. " Your art brings a smile and even more important, a greater sense of who they are and the beauty they have within. We are overjoyed that the virtues play a part in enabling you to do that."

Call Val @ (403)-874-5713 or email (Val@valhilliker.com) for a price quote.
